## 1. Introduction

The Institution's Innovation Council (IIC) of H.K.E. Society's Sir M. Visvesvaraya College of Engineering, Raichur organized an expert session titled "IPR Basics for Innovators & Entrepreneurs" on 12 November 2025 at the Seminar Hall. The workshop aimed to create awareness about Intellectual Property Rights (IPR) and their importance in innovation, research, and entrepreneurship.

## 2. Objectives of the Workshop

- To introduce the basic concepts of Intellectual Property Rights
- To create awareness about patents, copyrights, trademarks, and industrial designs
- To encourage protection of innovative ideas
- To guide participants on IPR filing and commercialization
- To promote innovation and entrepreneurship

## 3. About the Resource Person

The session was conducted by Dr. Sangmesh an expert in Intellectual Property Rights, who shared valuable insights and practical knowledge on IPR and its relevance to innovators and entrepreneurs.

## 4. Details of the Session

The session covered key topics such as introduction to IPR, types of IPR, importance of IPR in startups, patent filing procedures in India, and commercialization of innovations. The session was interactive, with active participation from students and faculty members.

## 5. Participants

The workshop was attended by undergraduate and postgraduate students, faculty members, and IIC members of the institution.

## 6. Outcomes of the Workshop

- Enhanced awareness of Intellectual Property Rights
- Better understanding of innovation protection
- Motivation towards startups and entrepreneurship
- Clarity on IPR filing procedures

## 7. Conclusion

The workshop was informative and successful in achieving its objectives. The Institution's Innovation Council expresses gratitude to Dr. Sangmesh for his valuable contribution.
